Dear Ms. Mitchell:

I have reviewed the above document dated April 7, 2003. The document is in accord with our discussions and is acceptable. As I have previously stated, we need to continue making projections for year three so that these dates can become a part of our long range planning process.

Please contact me as early as possible if it appears that you will not be able to meet any of the projected dates. If you need any other assistance, please contact me at 850-245-8999.

Sincerely,

  
James H. Cason, P.G.
